## Rules and Regulations

November 2022

**This document is not intended to be all inclusive. Please reach out to the Declarant/BOD with any questions on the items outlined in this document.**

### Vehicles

1. No unregistered or uninspected vehicles, junk cars or trucks, or parts thereof shall be permitted on any site unless stored in the garage.
2. No campers, trailers, or boats shall be stored outside of a dwelling or garage for more than seven days unless approved in writing by the Declarant or Board of Directors (BOD). Campers, trailers, and boats can be stored in the designated parking area on site if a spot is available for rent and a form is filed with the Declarant or BOD.

### Rentals

1. Any owner may lease his property for a period of not less than twelve (12) months and shall be responsible to ensure compliance with the Declaration, Bylaws, and these Rules and Regulations by his/her tenant.
2. If an owner chooses to lease his/her unit, the unit owner is responsible for relaying any communications related to the condominium operation to his/her tenant.
3. If a tenant continues to be out of compliance with the Declaration, Bylaws, and/or these Rules and Regulations, the BOD may take action, including but not limited to requiring removal of the tenant and assessing noncompliance fees. The unit owner will be given the opportunity to correct the noncompliance prior to the BOD taking action.

### Trash

1. All trash shall be disposed of in accordance with the Town Ordinances.
2. No garbage or trash shall be permitted to remain in public view, including the associated containers, except on the day of trash/recycling removal.

### Noise/Nuisance

2. No owner, tenant, occupant, or their guests shall play music or otherwise create noise anywhere within the Condominium which disturbs any other owner, tenant, or occupant.
3. No owner, family, guests, visitors, agents, or permitted occupants shall make or permit any disturbing noises nor do anything that will interfere with the peaceful possession and rights of other owners.

#### Additional Structures (Fencing, Solar Panels, Sheds, etc.)

1. Fencing is not permitting unless it is an electric (invisible) fence. The installation of the electric fence must be coordinated with the landscaper/irrigation company to avoid any damage to the irrigation system and must be approved by the BOD. Invisible/electric fencing must be contained within the individual units Limited Common Area (LCA).
2. Sheds are permitting with prior approval and must adhere to the following parameters:
  - a. Size: no larger than 10'x10'
  - b. Materials: materials and colors consistent with homes, vinyl siding, shingle roof
  - c. Location: no more than 20' away from the rear of the home. Location should be coordinated with the landscaper/irrigation company to be placed around irrigation.
  - d. Must be located in the individual units LCA area
3. Solar panels are permitted with prior approval to be installed on a roof. No solar panels may be installed in the ground.
4. No pools, above or below ground, are permitted.
5. Flags- flag poles may not be placed in the ground however flags posted off of the front porch area exterior of a unit are allowed with BOD approval.
6. Plantings
  - a. Window boxes are permitted with the understanding that the homeowner is responsible for the maintenance of the boxes and plants and they must be kept in such a way as not to create an overgrown, unpleasant aesthetic.
  - b. No additional plantings are permitted with the exception of the following rule (6.c.).
  - c. Homeowners do not need prior approval for a flower, vegetable, fruit, and/or herb garden if the plantings and planting areas adhere the following rules:

- i. Plants shall not be trees
- ii. One planting area permitted per home
- iii. Planting area shall not exceed a 10'x10' area
- iv. Planting area shall not be a raised bed
- v. Planting area shall be within the rear LCA of the home, as shown on the site plan
- vi. Planting area shall be in the rear of the home only
- vii. Planting area and plantings shall be maintained by the homeowner and are not the responsibility of the association's landscaper
- viii. Planting area shall be maintained in such a way so as not to create an overgrown, unpleasant aesthetic. If a homeowner does not maintain the planting area, the BOD may ask that the homeowner clean the area up or ask that the planting area be removed and returned to lawn. If the homeowner does not comply with the BOD's request, the BOD may take action, including but not limited to, removing the plantings and returning the area to lawn. Any action taken by the BOD shall be billed back to the homeowner.
- ix. The planting area location shall be provided to the Board so they can alert the association's landscaper

7. Any additional structures or alterations (listed or not listed in this document) must be granted approval prior to installation unless otherwise noted.

#### Pets
